

### **Topic**

This term we have started our new topic all based around the story “What the Ladybird Heard”. We are off to a great start already with the children hooked into our class mystery of who stole our pencils. As the term goes on we will be learning about animals and their habitats. Talking about the animals you see when not at school will help with our topic. We would love to see pictures of any pets you have at home. If possible, please bring them in so your child can share them with the class.

### **P.E**

In Class 3 P.E days are on a Monday and Tuesday.  
Please make sure all school uniform and P.E kit is labelled with your child’s name.

### **Homework**

Please reading folders be sent into school every day.

Homework and spellings will be sent home on a Friday. There will be a spelling quiz the following Friday.

Each morning during registration children will be practicing their mental arithmetic skills. The questions children will be covering will be sent home on a Friday to practice for the following week.

### **Jumpers**

With the hot weather approaching, please put your child’s name in their jumper. Even though children are asked to put them in their bags or trays, having their name in is the only way to ensure they get the correct jumper back.
