

Grindon Infant School Weekly Home Learning Ideas for Two Year Old Provision
Week beginning Monday 25th January 2021

<p>We had lots of fun last week going on a colour treasure hunt. This week let's see if we can look for blue objects either indoors or outdoors. Please continue to send your photographs of the lovely things you can find at home.</p>	<p>See if we can fill a tray with flour, salt or sugar and practice drawing our circles and lines.</p>	<p>Let's encourage the language of size in your everyday communication during your play and ask simple questions, e.g. "Can you make a big tower?" "Can you make a small tower?" "Can we find a long tube?" (kitchen roll) "Can we find a short tube?" (toilet roll)</p>	<p>Can we make a shop using your tins and packets from your cupboards. Decide who is going to be the shopkeeper and who is going to be the customer. Encourage your child's language including amounts of items 1, 2, 3. For example "Please can I have 2 tins of beans?" "Please can I have 3 apples?"</p>
