

Have a go at playing the memory game with a friend.

If you turn over two cards that show the same number, you get to keep that pair! How many pairs did you win?

Go on a walk to collect some natural objects.
Explore making pairs with what you have found.

How many pairs have you found?
Do you have any objects left over or do they all group into pairs?

Look carefully at the picture.

Can you find 4 flowers and 4 flowers? How many flowers altogether?
Can you find 2 and 5? How many altogether? What else can you see?

Now make your own picture and draw some groups to count.

How many spots do the dominoes have on each side?
How many do they have altogether?

Play the number track game with a friend.
Roll 2 dice. How many spots do you have altogether?
Can you predict what number you will land on?
How many more spaces do you need to move in order to win the game?
