 Break up-Friday 24th May
 Back to School-Monday 3rd June

Information

Our P.E days are now a Monday and Friday.

This term we are working with the Foundation of Light on a Monday and on Gymnastics using the apparatus on a Friday.

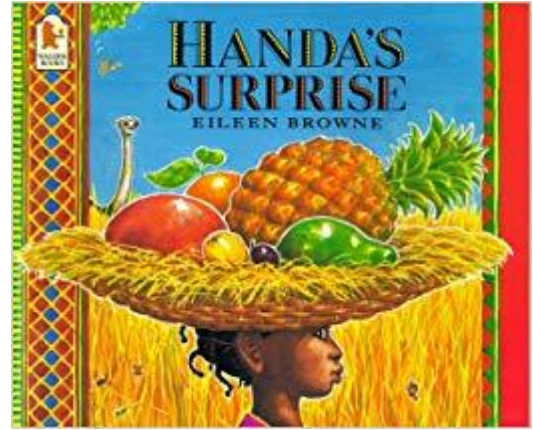

Please can you send your child's P.E bag back to school with their P.E shorts (green or black), white t shirt and gym shoes in.

Please remember to put names on all belongings including hats, coats and all clothing including shoes that are worn for P.E.

If you have any questions about anything at all then please ask a member of Staff. We are always happy to help!

Topics

This half term our topic is called 'Handa's Surprise-Which fruit do you like the best?' based on the story of 'Handa's Surprise' by Eileen Browne.

As Handa's Surprise is set in Africa, this half term we are comparing the UK and Kenya, looking at the similarities and differences. We will also be tasting lots of different fruit and making African jewellery.

Warmer Weather

During warmer weather please send your child into school with a hat and wearing suncream. If you wish for your child to apply their own suncream in school, please send it in with a name on it and they will apply it themselves, before going outside.

Reception Maths Café

We will be holding a Reception Maths Café Event on the morning of
Wednesday 22nd May at 9:00am in the school hall.

This is a chance for you to come in and chat with the staff, who will give you an overview of the Mathematics curriculum that your child is being taught. You will also get to see how Maths is taught in Reception and how it can be fun! The children will then join you to complete maths based activities and play games.

Juice and biscuits will be provided too!
 We really hope to see you there!
