Information

Please send a water bottle to School for your child each day. (Water only, no juice/flavoured water)

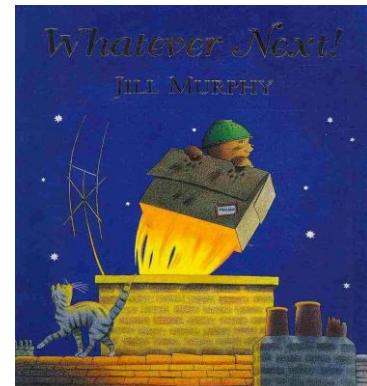

Snow Tubing Trip

Reception have the opportunity this year to go to Silksworth Ski Slope for Snow Tubing in December. The date has not been confirmed yet but we will send a separate trip letter and consent form when we know the date.

Topics

This half term our topic is called Whatever Next-The World At Night.

We will be looking at the story of Whatever Next and using it as the basis for our own story map work.

Online Safety

This term we will be looking at the topic of 'Online Relationships and Online Reputation' in our Computing work.

P.E

This half term our P.E will be taking place on a Friday. We will be completing our Real PE unit on jumping, landing and balancing.

On a Monday we will be completing our gross motor skills work linked to our Letterjoin handwriting scheme in the outdoor area so children do not need to wear their P.E kit. If they have any wellies to keep in school then that would be good as it can get muddy!

Come and join us!

We would love for you to come to our Reception Christmas Crafts and Computing Café on Friday 28th November in the school hall at 1:45-2:45. This will be an opportunity for you to make some Christmas crafts with your child and complete some Computing based activities.
