How can you help?

Please let us know if your child needs support with toileting, we will be happy to help.

Please send your child with a water bottle each day.
Water bottles must contain water only!

For health and safety reasons, please note that children are not allowed to wear earrings for school.

Send your child to Nursery with a coat EVERYDAY! We all know what the British weather is like, and in Nursery we go outside everyday!

Please ensure your child has a change of clothes in their bag or to keep on their peg...accidents happen!

If you would like to send some wellies into nursery for your child, that would be great, however, we do have plenty for everyone 😊

Please ensure that all items have your child's name in. (including shoes)

Please send any completed 'All About me' sheets to Nursery so that we can learn all about your children. If you need another copy, please just ask!

If there is anything else, we can help with please let us know.

We look forward to getting to know your child and their family.

Thank you for your support.

Topics

This half term our topic is based on the story of 'Wow! Said The Owl'. We will be looking at the story and exploring the different colours talked about in the story.

We will also be thinking about the people in our families.

Rhymes of the Month

September: 5 Little Speckled Frogs

October: 5 Little Pumpkins

We will be starting our Library service very soon. Every Friday your child will choose a book to share at home with you. This needs to be returned the following week so that your child can choose another book.

You can sign up to Marvellous me to get updates and messages about your child. You will receive more information about this in the coming weeks.
